

Appln No. 10/735,147
Amdt date January 11, 2007

REMARKS/ARGUMENTS

The Applicant has amended claims 1 and 14 to correct a minor clerical error not related to patentability. Applicant believes that the amended claims 1 and 14 remain allowable, and respectfully request that the amendment to claims 1 and 14 be entered and the allowance of claims 1 and 14 be maintained.

The Applicant also acknowledges and accepts the Examiner's Amendment included with the Notice of Allowance. We note, however, that the Examiner's Amendment recites:

"In line 6 of the second paragraph on page 1, --, pending,--has been inserted after "10/10/732,050". (Emphasis Added).

We understand it to be "In line 6 of the second paragraph on page 1, --, pending,--has been inserted after "10/735,050". If there is any issue that can be addressed over the telephone the Examiner is cordially invited to call applicant's attorney at the number listed below.

Respectfully submitted,
